Thank you for your cooperation!
Please keep this flyer handy for future reference.

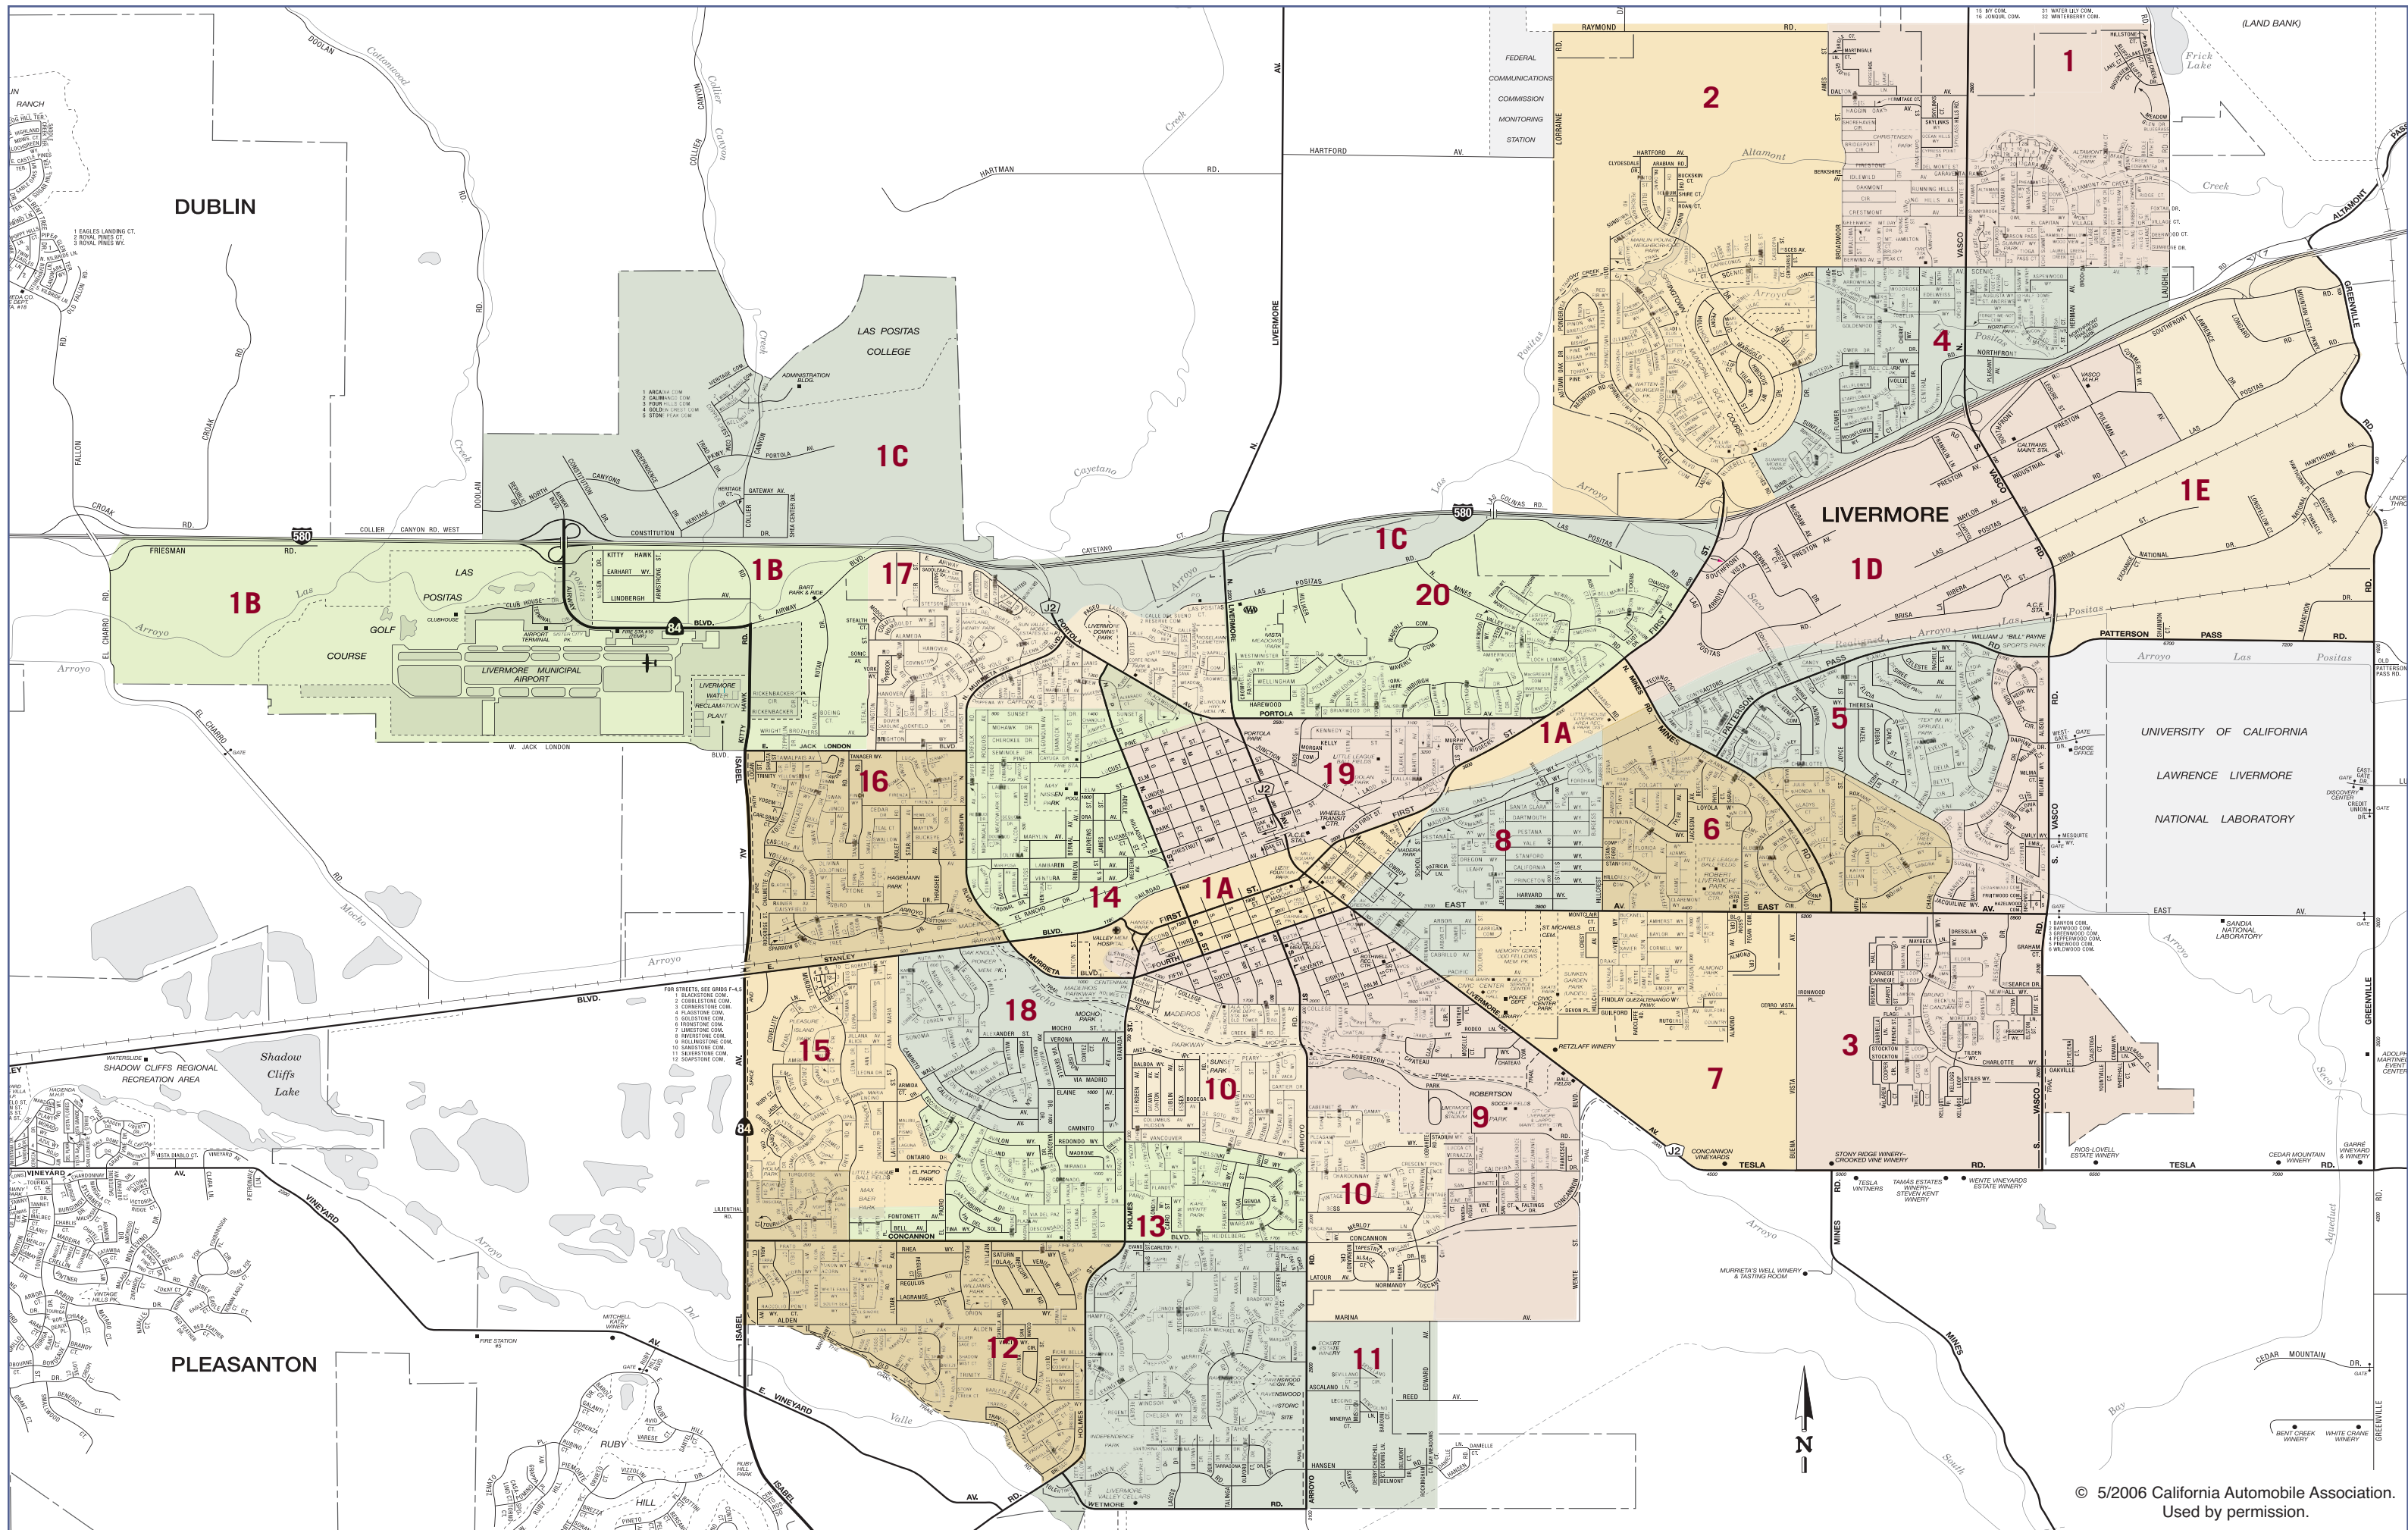

LIVERMORE KEEPS ON SWEEPING

The City of Livermore maintains a street sweeping program to comply with provisions of the federally mandated Clean Water Act. Street sweeping helps to remove pollutants which potentially can drain into the City's arroyos and into San Francisco Bay.

To improve effectiveness of the Street Sweeping Program, the City staff asks that you park your cars off the street on your scheduled sweeping day. Sweeping around parked cars requires more time and is a dangerous maneuver. Moving your cars will allow the sweeper to do a better job for you and your neighbors.

HOW TO USE THE SCHEDULE:

- 1.** Match your street location and numbered area on the map to the corresponding numbered area listed on the schedule.
- 2.** Note day of month in column immediately to the right. This is the day the sweeper will be in your area each month, regardless of the date.
- 3.** If your scheduled sweeping day coincides with a government holiday, your area will be swept as soon as possible after the holiday.
- 4.** If you are unsure of your scheduled day, call the City of Livermore Maintenance Services Division at 960-8020 between 7:00 am and 3:30 pm, Monday through Friday.
