

A Livermore Municipal Airport Monthly Publication - September 2023

Farewell

As you are probably aware, I will be leaving my post as LVK Airport Manager on September 8, 2023.

While my tenure has been brief, I have made many new friends at this wonderful 'neighborhood' airport. The airport office and operations staff will continue to serve in their amazingly professional manner, as will your Interim Airport Manager Benny Stuth.

Contact Benny at - (925) 960-8223 or bjstuth@LivermoreCA.gov.

Fair and following winds....

Believe it or not it is time again to have our Annual Airport Open House!

Come out and enjoy the day's activities with us. This year's line up includes; static display of general aviation aircraft, military/warbirds, antique/classic, experimental/homebuilt and aerobatic type aircraft of our very own tenants, aviation vendor display information, representatives from flight schools based at LVK, Livermore Pleasanton Fire Department, Livermore Police Department, Alameda County Sheriffs and of course the event would not be complete without mobile gourmet food from [Food Truck Mafia](#).

If you would like to display your aircraft, you can taxi over to the display area starting on Friday at 1300L. All aircraft need to be in place by 0900L on Saturday.

Volunteers can contact Brett at bagregory@LivermoreCA.gov
